**Commented [KV1]:** FEMA didn't respond for any presentation time – however, we could reach out and see if they would be interested, or if they'd be interested in partnering with DHS, or we could move FEMA into another time slot.

**Commented [KV2]:** We don't have a Q&A time frame, but we could build one in, or ask the federal partners if they'd like to have a general Q&A opportunity at the end.

**Commented [KV3]:** We could reduce the number of 20 minute presentations to 2, and then add a 10-minute USFS presentation

**Commented [KV4]:** We could move this section anywhere in the presentation, or, provide intermittent introduction opportunities throughout the 10-20 minute speakers.
